Committee
FY 2019
OFFICIAL ACTION**

DATE: October 11, 2018

TOPIC: Modification of subsistence fishing regulations for the Yakima River

ACTION REQUESTED: Close Fall Chinook Opening on the Yakima River

FORMAL ACTION TAKEN: Section II.A.2.b of T-084-18 sets the weekly subsistence fishing period on the Yakima River from 6am Tuesdays to 6 p.m. Saturdays beginning September 4 through November 24, 2018. However, due to the low fall chinook returns to date and that the hatchery is unlikely to achieve broodstock collection in 2018, the fishery on the Yakima River will close 6 pm Saturday October 13, 2018. All other regulations in Section II. of T-084-18 remain unchanged.
